Dragi farani in prijatelji!

Na marčevski Kulturni uri nas je Silvo Lango popeljal okoli sveta in nam s svojimi fotografskimi posnetki pokazal lepoto in pestrost nasega planeta.

Velikonočno praznovanje se je začelo že na Cvetno nedeljo. Branci so naredili veliko butaro, Delaki pa manjše butarice, ki smo jih blagoslovili v cerkveni dvorani in jih v procesiji narodnih noš in ostalega ljudstva prinesli v cerkev.

Velikonočno tridnevje -Veliki četrtek, Veliki petek ,Velika sobota - so bili dnevi premišljevanja Jezusovih zadnjih dni.

Veliki četrtek - spomin postavitve zakramenta presvete Evharistije in duhovniškega posvečenja.

Veliki petek - edini dan v letu, ko nikjer na svetu ni sv. maše, dan spomina na Kristusovo trpljenje in smrt, češčenje križa, obhajilo, ki je sad odrešenja.

Velika sobota - premišljevanje zgodovine božjega odrešenja ob branju svetopisemskih beril, ki nam razkrivajo božjo ljubezen do človeka.

Velika noč - slavljenje Vstalega Kristusa, ki kot luč razsvetljuje temine greha in odpira človeku pot do končnega uresničenja svojega dostojanstva in popolnosti.

Velikonočno praznovanje so nam polepšali naši pevci, za orglami je bila Mija Branc, ki je tudi praznično okrasila našo cekev in pripravila dobrote iz svoje kuhinje, ki smo jih bili deležni ob dobri šunki in ostrem hrenu Petra Jenka, pijačo pa je daroval Emil Gaspari. Marjana Burger nas je razveselila z lepimi spominskimi pirhi, letos v rumeni barvi. VSEM PRISRČNA HVALA!

Hvala tudi vsem, ki ste se udeležili letošnjih praznikov in darovali za našo cerkev sv. Cirila, da bo še nekaj časa svetilnik slovenske kulture in vere v New Yorku.

Aprilska »Kulturna ura«: Prof dr. Matej Avbelj, Nova Univerza, Nova Gorica :IZZIVI V SLOVENSKEM ŠOLSTVU.

Church will be closed from May 23, - August 1, 2023.

NO SUNDAY MASS!

May 10: Saint Damien de Veuster of Moloka'i's Story

(January 3, 1840 – April 15, 1889)

When Joseph de Veuster was born in Tremelo, Belgium, in 1840, few people in Europe had any firsthand knowledge of leprosy, Hansen's disease. By the time he died at the age of 49, people all over the world knew about this disease because of him. They knew that human compassion could soften the ravages of this disease.

Forced to quit school at age 13 to work on the family farm, Joseph entered the Congregation of the Sacred Hearts of Jesus and Mary six years later, taking the name of a fourth-century physician and martyr. When his brother Pamphile, a priest in the same congregation, fell ill and was unable to go to the Hawaiian Islands as assigned, Damien quickly volunteered in his place. In May 1864, two months after arriving in his new mission, Damien was ordained a priest in Honolulu and assigned to the island of Hawaii.

In 1873, he went to the Hawaiian government's leper colony on the island of Moloka'i, set up seven years earlier. Part of a team of four chaplains taking that assignment for three months each year, Damien soon volunteered to remain permanently, caring for the people's physical, medical, and spiritual needs. In time, he became their most effective advocate to obtain promised government support.

Soon the settlement had new houses and a new church, school and orphanage. Morale improved considerably. A few years later, he succeeded in getting the Franciscan Sisters of Syracuse, led by Mother Marianne Cope, to help staff this colony in Kalaupapa. Damien contracted Hansen's disease and died of its complications. As requested, he was buried in Kalaupapa, but in 1936 the Belgian government succeeded in having his body moved to Belgium. Part of Damien's body was returned to his beloved Hawaiian brothers and sisters after his beatification in 1995.

When Hawaii became a state in 1959, it selected Damien as one of its two representatives in the Statuary Hall at the US Capitol. Damien was canonized by Pope Benedict XVI on October 11, 2009.(franciscanmedia.org)

PICNIC MASS AT BRANC THIS YEAR : AUGUST 13, 2023 at 1:00pm
