Perkovi znani Slovenci se predstavijo še New Yorku

V galeriji slovenske cerkve sv. Cirila v New Yorku je na ogled razstava slik Tomaža Perka Slovenija skozi čas, nastala ob 10. obletnici vstopa Slovenije v Evropsko unijo.

Razstava, ki prinaša portrete desetih znanih slovenskih zgodovinskih osebnosti, s postavitvijo sklepa gostovanje po tujih razstaviščih.

Razstava Slovenija skozi čas je bila že na ogled v Nemčiji (Berlin), Avstriji (Dunaj), Kanadi (Ottawa, Toronto) in po ZDA, kjer so podobe Valvasorja, Trubarja, Prešerna, Gallusa, Cankarja, Maistra, Potočnika Noordunga, Jakopiča in Kobilice med drugim občudovali v Clevelandu in Washingtonu.

V New Yorku bo razstava na ogled teden dni, nato pa se vrne v Slovenijo. Perko je povedal, da je deset slovenskih osebnosti verjetno le začetek in bo razstavo treba dopolniti.

Tomaž Izidor Perko se je rodil 2. novembra 1947 v Ljubljani. Njegov oče je bil znani slovenski slikar Lojze Perko. Mladost je preživel v Kamniku, slikarstvo je študiral na Akademiji likovnih umetnosti v Ljubljani, od leta 1981 živi v Cerknici. Newyorški postavitvi je zato dodal tudi podobo pokrajine, ki obkroža mesto. Za seboj ima številne razstave v Sloveniji in tujini.

V soboto, 11. marca 2017, smo se poslovili od Judite Prelog. Jaz sem jo spoznal leta 1991, ko sem nadomeščal p. Roberta, ki je šel v Slovenijo, da bi bil priča razglasitve samostojnosti države Slovenije. JLA je takrat napadla Slovenijo in tu je bilo treba organizirati demonstracije za samostojno Slovenijo. Jaz nisem nikogar od faranov poznal, zato sem klical Lemont in so mi rekli naj pokličem Judito Prelog; ta je res potem veliko pomagala pri organizaciji demonstracij pred ZN in tudi imela govor. Demonstracij se je udeležilo kaksnih 300 Slovencev s petimi (5) zastavami in 2000 Hrvatov.

Vedno je veliko pomagala pri delu šole slovenskega jezika, organizaciji farnih prireditev, bila aktivna pri Slavic Heritage Foundation, in zelo aktivna pri Inovative Resources for Independents; bila je predsednica te organizacije in trenutno članica Board of Directors.

May they rest in peace.....

Cvetna nedelja - Palm Sunday - april 9, 2017. NARODNE NOŠE DOBRODOŠLE!

Palm Sunday is the final Sunday of Lent, the beginning of Holy Week, and commemorates the triumphant arrival of Christ in Jerusalem, days before he was crucified. Palm Sunday is known as such because the faithful will often receive palm fronds which they use to participate in the reenactment of Christ's arrival in Jerusalem. In the Gospels, Jesus entered Jerusalem riding a young donkey, and to the lavish praise of the townspeople who threw clothes, or possibly palms or small branches, in front of him as a sign of homage. This was a customary practice for people of great respect.

Palm branches are widely recognized symbol of peace and victory, hence their preferred use on Palm Sunday.

EASTER TRIDUUM

The Easter Triduum begins with the Vigil of Holy Thursday. It marks the end of the forty days of Lent and the beginning of the three-day celebration of the death and resurrection of Jesus Christ - Holy Thursday, Good Friday and Easter Vigil/Easter Sunday. The Fathers of the Second Vatican Council reminded us of the extraordinary significance of the Triduum : "Christ redeemed us all and gave perfect glory to God principally through his paschal mystery: dying he destroyed our death and rising he restored our life. Therefore the Easter Triduum of the passion and resurrection of Christ is the culmination of the entire liturgical year." (General Norms for the Liturgical Year and the Calendar, # 18)

These last Forty Days were a time of preparation for these great Three days, which is what Triduum means. These three days lead us to an empty tomb and an Octave, eight days, of celebrating the Resurrection. They also introduce an entire liturgical season, the Easter Season, which lasts for Fifty days until Pentecost.

The Catechism of the Catholic Church instructs us: "Beginning with the Easter Triduum as its source of light, the new age of the Resurrection fills the whole liturgical year with its brilliance. Gradually, on either side of this source, the year is transfigured by the liturgy. It really is a "year of the Lord's favor." The economy of salvation is at work within the framework of time, but since its fulfillment in the Passover of Jesus and the outpouring of the Holy Spirit, the culmination of history is anticipated "as a foretaste," and the kingdom of God enters into our time.

"Therefore Easter is not simply one feast among others, but the "Feast of feasts," the "Solemnity of solemnities," just as the Eucharist is the "Sacrament of sacraments" (the Great Sacrament). St. Athanasius calls Easter "the Great Sunday" and the Eastern Churches call Holy Week "the Great Week." The mystery of the Resurrection, in which Christ crushed death, permeates with its powerful energy our old time, until all is subjected to him." (CCC #1168, 1169) catholic.org
