Dragi farani in prijatelji!

Julijska poletna maša pri Brančevih je pritegnila kar lepo število ljudi, ki so ob dobri hrani in pijači, zanimivih pogovorih in kopanjem v bazenu preživeli lep, sončen dan. Brančevi družini pristrčna hvala za toplo gostoljubje.

Mnogi poznate Vera Hawkins; pred dvema leti je preživela udar kapi in je sedaj v Spring Arbor v 'assisted living facility' v NC, kjer lepo zanjo skrbi njena svakinja . Vera vsem našim faranom pošilja lepe pozdrave, pisati pa ne more.

Papež Frančišek 1. september razglasil za Svetovni dan molitve za skrb stvarstva

“Kot kristjani hočemo ponuditi svoj prispevek pri premagovanju ekološke krize, ki jo preživlja človeštvo. Zaradi tega moramo predvsem iz naše bogate duhovne dediščine zajemati motivacije, ki spodbujajo strast za skrb stvarstva. Pri tem moramo vedno imeti pred očmi, da za vernike v Jezusa Kristusa, Božjo Besedo, ki je za nas postal človek »duhovnost ni ločena od telesa, niti od narave ali resničnosti tega sveta, temveč živi z njimi in v njih, v občestvu z vsem, kar nas obkroža« (Laudato si 216). Ekološka kriza nas torej vabi k globokemu duhovnemu spreobrnjenju: »Kristjani so poklicani k »ekološki spreobrnitvi, ki omogoči, da vse posledice srečanja z Jezusom privrejo na dan v odnosih s svetom, ki jih obdaja« (ibid. 217). »Živeti poklic varuhov Božjih del je bistvena sestavina krepostnega življenja, saj za krščansko izkušnjo to ni nekaj izbirnega ali drugotnega« (ibid. 217). “

September 3, 2015 St. Gregory the Great (540?-604)

Coming events cast their shadows before: Gregory was the prefect of Rome before he was 30. After five years in office he resigned, founded six monasteries on his Sicilian estate and became a Benedictine monk in his own home at Rome.

Ordained a priest, he became one of the pope's seven deacons, and also served six years in the East as papal representative in Constantinople. He was recalled to become abbot, and at the age of 50 was elected pope by the clergy and people of Rome.

He was direct and firm. He removed unworthy priests from office, forbade taking money for many services, emptied the papal treasury to ransom prisoners of the Lombards and to care for persecuted Jews and the victims of plague and famine. He was very concerned about the conversion of England, sending 40 monks from his own monastery. He is known for his reform of the liturgy, for strengthening respect for doctrine. Whether he was largely responsible for the revision of "Gregorian" chant is disputed.

Gregory lived in a time of perpetual strife with invading Lombards and difficult relations with the East. When Rome itself was under attack, he interviewed the Lombard king.

An Anglican historian has written: "It is impossible to conceive what would have been the confusion, the lawlessness, the chaotic state of the Middle Ages without the medieval papacy; and of the medieval papacy, the real father is Gregory the Great."

His book, Pastoral Care, on the duties and qualities of a bishop, was read for centuries after his death. He described bishops mainly as physicians whose main duties were preaching and the enforcement of discipline. In his own down-to-earth preaching, Gregory was skilled at applying the daily gospel to the needs of his listeners. Called "the Great," Gregory has been given a place with Augustine (August 28), Ambrose (December 7) and Jerome (September 30) as one of the four key doctors of the Western Church.
